The Financial Adviser to the Resident, U.O.

(11) Checked and returned with the following remarks:

(1) Government of India want the list in two parts -

(a) Where the continuance of an existing sanction has been reviewed and confirmed since 1st April, 1932,

(b) Others.

Item 35, house rent allowance of Rs.50/- per mensem for the Pathologist sanctioned in December 1934, should therefore be included in a separate statement.

* The grant of a house rent allowance to the Pathologist is not the "Continuance of an existing Concession" Sanctioned after review. It is a new post and a new Concession. There appears to be however, no objection in including it in Part-I, as suggested by F.A. Done

× This has been done in all Cases except Item (2), which Consists of several buildings.

o This will be taken up separately by Comm:r of Police addressed

@ Entered in the statement.

of (M)
×SN. 89
F.21-27

≠ But, please see S.N97 F21-27

It will be seen from (N) this that the sanction quoted is correct as far as Indian Nurses are Concerned. Compounders have been omitted from the list prepared by Office, as they are not entitled to rent free quarters. Their case will be taken up separately with regard to the Head Clerk of the Bowring Hospital with para 10 above.

×(2) Item (2). I think that the standard rents of all the buildings should be entered separately and not as merely varying between two amounts.

o(3) It is not clear why a house rent allowance of Rs.40/- is paid to a Sergeant, while Sergeants' quarters, item 16 in the statement of the Police Commissioner, are kept vacant. A watchman is also employed on Rs 12/- P.M. to watch the vacant Quarters.

@(4) The standard rent of item 40 is Rs.19/- per mensem.

≠(5) Item (40). 6 Indian Nurses of the Gosha Hospital. The authority for rent - free occupation is given as Government of India, Foreign and Political Department, memorandum No.F.240-A/30, dated 25th January 1932. But please see - para 2(3) of Secretary to the Hon'ble the Resident's letter to the Residency Surgeon, No.3660, dated 31st May 1932, from - which it would appear that the sanction quoted is not correct. The sanction refers to Staff Nurses of the Gosha Hospital, (item 39 in the statement) and not to the Indian Nurses.

≠(6) In the same letter of the Secretary to the Hon'ble the Resident, the authority for the Compounder of the Gosha Hospital occupying quarters rent-free was asked.

From item 5 under Gosha Hospital on page 3 of the Residency Surgeon's list, it appears that 6 Indian Nurses and 2 compounders are occupying rent-free quarters. In his "recommendations", however, the Residency Surgeon says that the compounders are not at present occupying rent-free --- quarters.

In the statement proposed to be sent to the Government of India this item is entirely omitted. This apparently needs looking into.

Grant of residential accommodation free of rent or at concessional rates.

---

The Government of India would be glad if you could furnish them urgently with a list of posts, the holders of which have been allowed rent concessions under Fundamental Rule 45-A specifying in detail the nature of the concession and the orders of sanction. In particular the standard rent of the residence and the scale of pay of the occupants may also be stated. Concessions in respect of furniture etc., should also be included. The list should be furnished in two parts :-

(a) where the continuance of an existing concession has been reviewed and confirmed since 1st April 1932,

(b) others.

2. The details called for are of particular importance in connection with new entrants to Government service whose scales of pay have been or are being revised. The Government of India will also examine, however, the justification for the continuance of the concessions in respect of present

present incumbents also under existing conditions. They will, therefore, be glad to have, in each case, your views on the question of continuing or modifying the existing concessions (1) for existing Government servants, and (2) for future entrants to Government service.

3. The statements should be submitted in duplicate, one copy being sent direct to the Government of India and the other through the Audit Officer concerned for verification of the details.

Grant of residential accommodation free of rent or at concessional rates.

SIR,

S.N.7 (B) c.f. 9-10

1) With reference to correspondence ending with your letter No.F.921-34/R.O.II, dated 19th November 1934, I have the honour to forward herewith, in triplicate, a list of posts the holders of which have been allowed rent-free concessions under F.R.45-A including furniture. The lists have been furnished only in one part, i.e., under "(b) - Others" as in no case have the existing concessions been reviewed and confirmed since 1st April 1932.

2) My recommendations on the question of continuing or modifying the existing concessions have been given at the foot of the lists.

3) Neither the Executive Engineer nor the Treasury Officer, Bangalore, have been able to verify the lists - vide copies of their letters enclosed.

4) The statement of concession in respect of furniture has been prepared on the basis of last valuation(1928) as suggested, but as already requested, early action may kindly be taken to appoint an expert to re-value the furniture, since it is obvious that in six years considerable depreciation must have occurred.

P. T. O.

5) With regard to the concession of rent-free quarters for the Head Clerk and First Steward of the Bowring and Lady Curzon Hospitals referred to in the remarks column of page 1 of the List, this concession was allowed to him till January 1932, under the general sanction conveyed in Government's letter No.1185-1/A, dated 22-3-1902. But as the Government of India in their Memo.No.F.240-A/30, dated 25th January 1932 omitted to confirm the above concession - vide your letter No.3660/21-1927, dated 31-5-1932, the former Head Clerk and First Steward who continued to occupy the quarters had to pay rent till 1-4-34, the date he proceeded on leave preparatory to retirement.

6) Our hours of attendance are from 8 A.M. to 3 P.M. and from 5 to 7.30 P.M. and the Head Clerk and First Steward is required to be always available, even at other hours, to receive cash payments and to attend on those who come at unusual hours & to arrange for the Ambulance Car, private Nurses etc. He is also in charge of Jewellery Register wherein whatever jewels and cash a patient possesses are brought to account and the articles transferred to cash chest.

7) I therefore consider it desirable, in the interests of the Hospitals, that the Head Clerk and First Steward should live in the Hospital premises(quarters available) so that he may be available whenever wanted, and request that the post may kindly be recommended for inclusion in the list of Medical staff of the Civil and Military Station, Bangalore, who are entitled to the concession of rent-free quarters.
